**Good luck to those trying out for cheerleading!**

- Please turn in your map celebration forms. If you have lost yours or need another one, please see Mrs. Noble. They are due Friday.
- Prepay casual pictures and class group pictures this Friday.

## Standard Expected Practices

- **Students:** Once students are on the school premises in the morning they are not permitted to leave, please make sure you enter the building in a timely fashion.
- **Reminder** – Please DO NOT open the door for someone at the ramp, even if you know who they are. Office personnel will take care of this responsibility.
- **Students:** Please do not bring blankets to school, they are a distraction. If you are a little cool, please wear a sweatshirt or a light jacket. Thanks for your cooperation on this. Teachers will start reporting you to the office if this becomes an issue.
- **Reminder:** Please be good citizens by helping keep our building looking nice by disposing of your trash in the proper receptacles in the hallways, classrooms, and restrooms.
- **Students:** Electronic devices such as cell phones, MP3 players, I-pods, are not allowed during the school day in and out of classes and should be put away ONCE you enter the school building. If cell phones or other electronic devices are visible, they will be confiscated by Mr. Turpin and students will have consequences outlined in the handbook. The school will not be responsible for lost, stolen or damaged items that are brought to school.
- **Students:** Students are not allowed to wear headphones or earbuds unless they have specific instructions from the class teacher. They are becoming a significant distraction to the learning environment. This includes the hallways.

- **Students:** Items are not allowed to be taken from the cafeteria after breakfast or lunch. No outside food and drink are permitted other than your cold lunch. Food should be consumed only in the Commons during breakfast and lunch. The only exception to this is with prior approval from the administration.
- **Students:** Please do not slam the lockers but do make sure they are latched and closed. As a reminder please do not use permanent adhesives to post things in or on your locker.
- **Students:** No hats are to be worn in the building unless there is prior authorization from administration.
