September Character Trait:

Mr. Hopper's Joke of the Day

"Why was 6 afraid of 7? Because 7 8 9!- This joke was from Avery in 2nd Grade."

Congratulations to the JH football team for their victory at last night's game!

- We will again be honoring Students for Student of the Month and Staff for Staff Member of the Month this school year. Please turn in your nominations by next Friday, September 10th.

Standard Expected Practices

- **Students:** Once students are on the school premises in the morning they are not permitted to leave, please make sure you enter the building in a timely fashion.
- **Reminder** – Please DO NOT open the door for someone at the ramp, even if you know who they are. Office personnel will take care of this responsibility.
- **Students:** Please do not bring blankets to school, they are a distraction. If you are a little cool, please wear a sweatshirt or a light jacket. Thanks for your cooperation on this. Teachers will start reporting you to the office if this becomes an issue.
- **Reminder:** Please be good citizens by helping keep our building looking nice by disposing of your trash in the proper receptacles in the hallways, classrooms, and restrooms.
- **Students:** Electronic devices such as cell phones, MP3 players, I-pods, are not allowed during the school day in classes or anywhere else beside the commons during lunch. These devices

should be put away ONCE you enter the school building. If cell phones or other electronic devices are visible, they will be confiscated by Mr. Hopper and students will have consequences outlined in the handbook. The school will not be responsible for lost, stolen, or damaged items that are brought to school.

- **Students:** Students are not allowed to wear headphones or earbuds unless they have specific instructions from the class teacher. They are becoming a significant distraction to the learning environment. This includes the hallways.
