Please see website <https://www.usr2.com> for online calendar and breakfast/lunch menu.

## April Character Trait:

## Mr. Hopper's Joke of the Day

What did the football coach say to the broken vending machine?  
Give me my quarterback.

**Last night at the 275 Conference Spelling Bee, Charles Brown won 2nd place in his category division and Aidan Whorton won first place in his division. Congratulations to these students and thank you all of the students who participated!**

## Standard Expected Practices

- **Students:** The only drink in your water bottles should only be plain water. No soda, flavored water, or sugary drinks.
- **Students:** Once students are on the school premises in the morning they are not permitted to leave, please make sure you enter the building in a timely fashion.
- **Students:** No hats, hoods, bandannas, or sunglasses are to be worn during the school day. Per administration approval, there may be exceptions to this on spirit days or special circumstances.
- **Reminder** – Please DO NOT open the door for someone at the ramp, even if you know who they are. They are to report to the west door for entry.
- **Students:** Please do not bring blankets to school, they are a distraction. If you are a little cool, please wear a sweatshirt or a light jacket. Thanks for your cooperation on this. Teachers will start reporting you to the office if this becomes an issue.
- **Reminder:** Please be good citizens by helping keep our building looking nice by disposing of your trash in the proper receptacles in the hallways, classrooms, and restrooms.
- **Students:** Students are not allowed to wear headphones or earbuds unless they have specific instructions from the class teacher. They are becoming a significant distraction to the learning environment. This includes the hallways.

- **Students:** Electronic devices such as cell phones, MP3 players, I-pods, are not allowed during the school day in classes or anywhere else beside the commons during lunch. These devices should be put away ONCE you enter the school building. If cell phones or other electronic devices are visible, they will be confiscated by Mr. Hopper and students will have consequences outlined in the handbook. The school will not be responsible for lost, stolen, or damaged items that are brought to school.
