September 3, 2020

Dear USR2 Family,

Last evening our district received word that the USDA released waivers extending the Seamless Summer Option into this school year which we received last spring. Therefore, effective August 31, 2020 through December 2020, all meals that are served will be free of charge to students and other children in the community ages 1-18. The district will also refund any student meal charges this week back into those student lunch accounts.

For students from the ages 1-5, parents can request to receive breakfast and lunch for their students that are not yet in school. All virtual learners with the school district are also eligible. Unfortunately, the district will not be transporting meals, so parents will have to come and pickup the meals at the school in the back lot by the commons. Breakfast pickup will be from 8am -8:15am and lunch pickup will be from 12:15pm-12:30pm.

Please contact the office at the school in the next week to be added to receive these meals so that accurate lunch counts can be kept. Students will need to be added to the list prior to picking up their first meal. If you have further questions, we can be reached at 816-593-2294 or you can call me at my cell phone at 816-261-6541.

Sincerely,

Rick Calloway
USR2 Superintendent
